

MINISTRY OF HEALTH
MALE'
REP. OF MALDIVES

MALDIVES HEALTH RESEARCH BULLETIN 3rd Volume
ABSTRACT SUBMISSION FORM

SECTION I: GENERAL	
1. Name(s) of the researcher(s):	
2. Title of the research :	
3. Research Duration :	(yyyy/mm/dd)
3.1. Start date:	
3.1. Completion Date (if applicable):	
4. Is the abstract published on any other website or journal?	Yes: <input type="checkbox"/> , Please specify: No : <input type="checkbox"/>
SECTION II: DETAILS OF THE RESEARCH	
5. Objective of the research:	<i>Aim of the research /description of what is to be achieved by the study/ research:</i>
6. Research question (If applicable):	<i>Research question if applicable can be included.</i>
7. Problem being addressed by the research/ the importance of conducting this research:	<i>What problem does this work attempt to solve? What is the scope of the project/research? Why is this research important to be conducted? What is the main argument/hypothesis/claim on which this research is based on? (maximum 120 words)</i>
8. Methodology:	<i>An abstract of a scientific work may include specific models or approaches used in the larger study (eg: study design/ sampling technique used to select the participants). Other abstracts may describe the types of evidence used in the research.</i>
9. Results/ findings of the research:	<i>Again, an abstract of a scientific work may include specific data that indicates the results of the project. Other abstracts may discuss the findings in a more general way.</i>
10. Implications:	<i>What changes should be implemented as a result of the findings of the work? How does this work add to the body of knowledge on the topic?</i>
11. Conclusion:	<i>The overall impact this research could have on the health sector</i>
12. If readers would like access to full research document, is there any way to access full research for the reader? (If yes, please specify details).
