

REGISTERED TOBACCO PRODUCTS LIST

IMPORTANT INFORMATION ABOUT THIS LIST

1- Compiled and published pursuant to Regulation Number:2025/R-21 (General Regulations for Tobacco Control), issued under Law Number :15/2010 (Tobacco Control Act)

2- As per the law, only those tobacco products listed here are permitted to be imported and sold in Maldives.

3- Parties wishing to include new products, may apply to register new tobacco products through OneGov portal.

4- For practical reasons, the list is published and regularly updated in English in the official gazette as well as on the website of the Ministry of Health, Family and Welfare.The publishing authority may modify this list as and when deemed necessary, for any legal, technical or administrative reasons.

5- Products included with a registartion number are New Tobacco Products duly registered after the publication of the initial list on 27th February 2025.

6- Products with added characterising flavors belonging to an already registered tobacco **product with same "Brand", "Product Type and Country of Origin"**, need not be registered as a separate product. However, importers of such products must submit details of such flavors to Maldives Customs Service as part of the documentation and approval at point of entry.

Disclaimer: By virtue of resgitering a product by any party , the Ministry of Health does not guarantee to any party any actual or perceived sole proprietorship or distributorship or any other rights beyond the purview of the Tobacco Control Act.
