

Pre-Registration with MNMC for Applicants Requiring Verification from the Karnataka State Nurses Council (KSNC): Single Window Verification Process

The Karnataka State Nurses Council has integrated with the Government of Karnataka's Single Window Verification System for the electronic verification of professional credentials. Applicants should use this system to request verification of their registration and good standing, which will be sent directly to the Maldives Nursing and Midwifery Council.

Therefore, new applicants seeking pre-registration with the Maldives Nursing and Midwifery Council (MNMC), who are required to obtain Registration Verification and a Good Standing Certificate from the Karnataka State Nurses Council (KSNC), are required to follow the Single Window Verification process outlined below.

Please follow the steps below:

1. Visit the DME Single Window System
Visit **dme.myapplications.io** to initiate the verification request.
2. Provide Aadhaar (National ID) Consent
Use your Aadhaar (National ID) number to provide the required consent.
3. Complete the Required Details
Enter all required personal, professional, and registration details in the portal.
4. Select the Intended Recipient
Select Maldives Nursing and Midwifery Council (MNMC) as the intended recipient of the verification.
5. Submit the Verification Request
Complete and submit the verification request through the Single Window Verification System.
6. Direct Submission to MNMC
The Registration Verification and Good Standing documents will be sent directly to the Maldives Nursing and Midwifery Council (MNMC) by the Karnataka State Nurses Council through the Single Window Verification System.

Applicants must ensure that the verification request is submitted through the Single Window Verification System and that the required documents are sent directly from KSNC to MNMC.
